Subject: FW: Question regarding the list of States that received Anvil 10+10

Sharing this incoming email from Arizona as FYI. I plan to respond to her today saying the following:

Ex. 5 Deliberative Process (DP)

Best regards,

Office of Pesticide Programs
U.S. Environmental Protection Agency

Subject: Question regarding the list of States that received Anvil 10+10

To Whom This May Concern,

Can you please verify that Arizona is not on the list of states that received shipments of Anvil 10 + 10?

Arizona does have an Inhance Technologies facility in Yuma, AZ that is not listed as a location where they manufacture fluorinated HDPE bottles in the notes provided from the last ECOS meeting. In fact, we have recently inspected that facility and confirmed that the manufacture of those fluorinated bottles is ongoing at that location.

I appreciate your help in verifying the information you provided.

Kind Regards,
Paula
